

## Massage And Therapy (M.A.T.) Body Positioning System

The M.A.T. System provides superior face-down comfort over traditional flat tables. Our 3 piece system can be arranged to accommodate all body types. Also a great postsurgical surface when face-down posture is required. Made from precision cut, high quality foam with your choice of a soft cloth cover or easy to clean vinyl. Attached strapping system for easy portability and storage. Cloth cover available in Beige; Vinyl available in Blue, Black or Gray. 18" x 41" x 5" (46cm x 104cm x 13cm)

- Affordable and portable
- Helps reduce stress on ankles, knees and hips
